Guests can take part in guided meadow-themed hikes, various herbal workshops, yoga & meditation classes, guided e-bike tours and visit farmers on their farms. The meadows in the alps are something very special, especially in early summer, when the numerous herbs and colourful flowers bloom. The highlight of the „Meadow Mont“ is the „Meadow Festival“, where there will be music and numerous stalls from regional producers as well as information on insect and plant identification.

We look forward to welcome you in June in the Tyrolean Oberland holiday region!
