Juni.Bluama.Zeit

In order to bring our guests closer to the sustainability and beauty of the meadows in the Alps, June is declared „Meadow Month“ every year in the Tyrolean Oberland. Guests can take part in guided hikes on the theme of meadows, various herbal workshops, yoga & meditation sessions, guided tours of farms & guided e-bike tours and visit farmers on their farms. The highlight of Meadow Month is the Meadow Fest, where there will be music and numerous stands from regional producers as well as information on insect and plant identification.

We look forward to welcoming you to the Tiroler Oberland vacation region in June!
